Comments:

In FY 2019, in accordance with federal law, SBA continued to provide agencies double credit, for scorecard purposes only, for prime contract awards in disaster areas that are awarded as a local area set aside and a small business or other socio-economic set aside when the vendor state is the same as the place of performance. 15 USC § 644(f). In accordance with reporting and public notification requirements of the Small Business Act, the agencies awarded prime contracts to Puerto Rico businesses. Double-credit under § 644(x) is provided only for awards dated on or after August 13, 2018, and only for awards that do not already qualify for double-credit under § 644(f).
